**NOISE-CON 2019 Michiko So Finegold Award— APPLICATION FORM**

This award is intended to support travel to the conference for US-based graduate students and young professionals working on development of noise policies, noise effects research, and noise control engineering. As many as five \$1,000 awards may be made. Award checks will be distributed at the INCE-USA award ceremony. Please describe the research covered in this paper and your work in general as it relates to these topics. Use as much space/additional pages as necessary:
